

# HOUSTON LAWYERS LUNCHEON SERIES

## MEDICARE MADNESS:

HOW THE TRUMP ADMINISTRATION MAY AFFECT THE MSP COMPLIANCE WORLD

1 Hour CLE Credit

With the White House changing hands politically and its increased scrutiny on fiscal responsibility, understanding how Medicare Secondary Payer (MSP) repayment issues affect your cases is crucial. Already, the White House has announced its intention to begin formally reviewing Liability Medicare Set-Asides (LMSAs). The Medicare Secondary Payer (MSP) Act has long been important to defense attorneys, personal injury attorneys, trustees and MSA administrators who face set-asides in workers compensation and third party liability cases. Join nationally known MSP lawyer John Cattie as he details the scope of that LMSA review process, summarizes changes already made by the Trump administration and predicts what we might see coming in the near future. A can't-miss session if you have cases or claims involving future medicals and want to extinguish your clients' exposure to the federal government (not to mention your own).

*All proceeds benefit ESCAPE's child abuse prevention programs.*
